EDUCATION

Anurag University, Hyderabad <i>Bachelor of Technology</i>	Aug 2025 - Present CGPA : 8.50
Government Polytechnic for Women Secunderabad <i>Diploma in Computer Science Engineering, State Board of Technical Education and Training Telangana</i>	Aug 2022 - Apr 2025 CGPA : 9.44
Pudami The English Primaries Edulabad <i>Board of Secondary Education , Telangana</i>	May 2022 CGPA : 9.8

PROJECTS

Farmer Equipment Rental System | 🌐 Github

- Developed a web application that connects farmers with equipment owners for renting agricultural machinery.
- Implemented two user roles (Owner and Borrower) with separate functionalities for listing equipment and requesting rentals. Designed and managed a database to store equipment details, availability, and booking information. Created a user-friendly and responsive interface to help users easily browse and rent equipment.

Technologies / Tools Used : HTML, CSS, JavaScript, Python (Flask), MySQL, Anaconda

MediGuard 360: | 🌐 Website

- Developed a smart healthcare application to help users manage medicine schedules and improve medication adherence with a reminder system and custom notification times along with missed dose tracking.
- Built a medicine stock tracking and expiry alert system to notify users about low stock and upcoming expiry dates and also adherence analytics showing medicine history, daily schedule, and adherence percentage.
- **Technologies Used:** Base44, React (JSX), JavaScript, HTML, CSS, Database Management, Push Notifications.

AWARDS & ACHIEVEMENTS

Participated in university-level **Hackethics: Hack to Protect, Not to Exploit** Workshop.
